Dear Seaside Bank and Trust Client,

We remain committed to keeping you informed through clear and frequent communication. Recently, you received a Product and Service Transition Guide which included important information we want you to be aware of as we fully integrate Seaside's operating system into United Community Bank's. We are writing to provide you with information about your new Seaside Bank and Trust debit card which you will be receiving soon.

Your new debit card from Mastercard® will continue to provide anytime access to your money when making purchases or withdrawing money from an ATM*. Below are key dates and important instructions to keep in mind so you can enjoy the convenient use of your debit card without interruption.
